

Important Notice relating to financial advice legislation:

If your home loan application relates to a consumer credit contract, then you are protected by responsible lending laws. Because of these protections, the recommendations given to you about home loans are not regulated financial advice. This means that duties and requirements imposed on people who give financial advice do not apply to these recommendations. This includes a duty to comply with a code of conduct and a requirement to be licensed.

Your home loan will be a consumer credit contract unless you are borrowing money from us through an entity which is not a natural person, like a company or a trust, or you are not borrowing money wholly or predominantly for personal, domestic, or household purposes.
